Dear Sir/Madam,

PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR EXISTING RRPT OF A REVENUE OR TRADING NATURE ("PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE")

1. INTRODUCTION

At the AGM held on 29 August 2017, the Company had obtained a mandate from the shareholders in respect of RRPT contemplated in the Shareholders' Mandate. The Shareholders' Mandate shall, in accordance with the AMLR, expire at the conclusion of the forthcoming AGM unless authority for its renewal is obtained from the shareholders at the forthcoming AGM.

On 3 July 2018, we had announced that the Company is proposing to seek its shareholders' approval for the Proposed Renewal of Shareholders' Mandate at the forthcoming AGM.

The purpose of this Circular is to provide you with details of the Proposed Renewal of Shareholders' Mandate, to set out the views of the Board and to seek your approval for the ordinary resolution pertaining thereto to be tabled at the forthcoming AGM. The notice of the AGM and the form of proxy are enclosed in the Annual Report for the financial year ended 31 March 2018 which has been sent to you together with this Circular.

YOU ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Provisions under the Listing Requirements

Under Rule 10.09 of Chapter 10 and Guidance Note 8 of the AMLR, a listed corporation may seek a shareholders' mandate in respect of related party transactions involving recurrent transactions of a revenue or trading nature which are necessary for its day-to-day operations, subject to, inter alia, the following:

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the Related Party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold as below:
 - (i) the consideration, value of assets, capital outlay or costs of the Recurrent Related Party Transaction is RM1 million or more; or
 - (ii) the percentage ratio of such Recurrent Related Party Transaction is 1% or more,

whichever is the lower.

- (c) the listed corporation's circular to shareholders for the shareholders' mandate includes the information as set out in the Guidance Note 8 of the AMLR. The circular must be submitted to Bursa Securities together with a checklist showing compliance with such information;
- (d) in a meeting to obtain shareholders' mandate, the interested director, interested major shareholder or interested person connected with a director or major shareholder; and where it involves the interest of an interested person connected with a director or major shareholder, such director or major shareholder must not vote on the resolution approving the transactions. An interested director or interested major shareholder must also ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the listed corporation immediately announces to the Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed corporation, exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more and must include the information as may be prescribed by the Bursa Securities in its announcement.

The Proposed Renewal of Shareholders' Mandate, if approved by the shareholders at the forthcoming AGM, shall only continue to be in force until:

- (i) the conclusion of the next AGM of the Company, at which time it will lapse, unless the authority is renewed by a resolution passed at the meeting; or

2.4 Amount due and owing by Related Parties

As at financial year ended 31 March 2018, there were no amounts due and owing by the Related Parties to the Group, which has exceeded the credit term as per Section 2.3 of this Circular.

2.5 Benefits of the RRPT

The benefits to be derived from the RRPT are as follows:-

- a) the RRPT entered by the Group, are all in the ordinary course of business and intended to meet the business needs of the Group at the best possible terms so as to achieve synergistic benefits to the Group;
- b) the Related Parties with whom the Group transacts are reliable supplier of the goods/services required for the Group's business and therefore, risk of any interruption to the Group's day-to-day operations would be minimised;
- c) the prices of the RRPT are competitive and the terms are not more favourable to the Related Parties than those generally available to the public; and
- d) prompt and better service can be obtained as the Related Parties have in-depth understanding of the Group's business and industries in which the Group operates.

2.6 Methods or procedures on which transactions prices are determined for the RRPT

The Group has established various methods and procedures to ensure that the RRPT are undertaken on an arm's length basis and on normal commercial terms, which are consistent with the Group's usual business practices and policies and are on transaction prices and terms not more favourable to the Related Parties than those extended to the public and are not to the detriment of the minority shareholders.

The procedures and guidelines established by the Group for RRPT are as follows:

- (i) All companies within the Group have been informed of the related parties and the procedures applicable to all RRPT with related parties;
- (ii) All companies within the Group shall only enter into RRPT after taking into account the pricing, level of service, quality of product as compared to market prices and industry standards. Any RRPT entered into shall be treated and processed on normal commercial terms consistent with the Company's usual business practices and policies and will not be detrimental to the minority shareholders;
- (iii) At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the Group's usual business practices.

- (iv) The transaction prices are determined by the prevailing market rates/prices that are agreed upon under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms;
- (v) All RRPT shall be reviewed by the Audit Committee at quarterly meetings;
- (vi) Any member of the Audit Committee may, as he or she deems fit, request for additional information pertaining to the transactions including from independent sources or advisers;
- (vii) If a member of the Board and/or Audit Committee has an interest, direct or indirect, in any RRPT, he or she shall abstain from any deliberation and continue to abstain from voting on the matter at the Board and/or Audit Committee meeting in respect of such RRPT related to him/her only;
- (viii) Where any person(s) has an interest in the transactions to be reviewed, such person(s) is allowed to involve in the discussion and voting other than those RRPT which is related to him/her and review the procedures of RRPT; and
- (ix) There are no specific thresholds for approval of RRPT within the Group. All RRPT is reviewed by the Audit Committee and approved and/or ratified by the Board of Directors.

2.7 Audit Committee Statement

The Audit Committee has the overall responsibility of determining whether the procedures for reviewing all related party transactions are appropriate to ensure that the RRPT are within the limits approved pursuant to the Proposed Renewal of Shareholders' Mandate.

The Audit Committee of the Company has seen and reviewed the procedures as mentioned in Section 2.6 above and are of the view that the said procedures are sufficient to ensure that the RRPT are not more favourable to the Related Parties than those generally available to the public and are not to the detriment to the minority shareholders.

The Audit Committee has reviewed and is satisfied that the Company has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner. These procedures and processes were reviewed annually.

2.8 Disclosures of RRPT

Proper records shall be maintained to capture all RRPT entered into pursuant to the shareholders' mandate to ensure accurate disclosure thereof. Disclosure will be made in the annual report of the breakdown of the aggregate value of the RRPT during the financial year, amongst others, based on the following information:-

- (a) the type of RRPT made; and
- (b) the name of the Related Parties involved in each type of the RRPT made and their relationship with the Company.

3. RATIONALE FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPT entered by the Group are all in the ordinary course of business. They are recurring transactions of revenue or trading nature, which are likely to occur with some degree of frequency and arise at any time and from time to time. As these transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, it may be impractical to seek shareholders' approval on a case-by-case basis before entering into such RRPT. As such, the Company is seeking shareholders' mandate pursuant to Rule 10.09 of Chapter 10 and Guidance Note 8 of the AMLR to allow the Group to enter into such RRPT made on an arm's length basis and on normal commercial terms, which are not detrimental to the Company's shareholders.

The RRPT are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPT.

By obtaining approval of the Proposed Renewal of Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPT occur, would not arise. This will avoid expenses associated with the convening of general meetings on an ad hoc basis and prevent administrative inconvenience.

4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on Major Shareholders' shareholdings, the share capital, earnings and consolidated net assets per share of the Company and the Group.

5. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND PERSONS CONNECTED TO THEM

Save as disclosed below, none of the other Directors, Major Shareholders and/or persons connected to them have any interest, direct or indirect, in the Proposed Renewal of Shareholders' Mandate.
